

only £5
a month!

What is the Snowball Draw?

Is it something you only get in winter that you throw at people?... Is it a "girly" 80's drink?... No, it's a way for you to win money and help your club!

Each month there is a regular draw and there are 3 cash prizes available. Every six months there is the SNOWBALL draw as well as the regular draw. For only £5 a month, you could win hundreds of pounds a year!

How much could I win?

The amount you could win depends on the number of people in the draw. The more people in the draw the larger the prize!

If there are 100 entries then the draw prizes would be:

1st	£150
2nd	£100
3rd	£ 50
Snowball	£300 (drawn every six months)

Can I have more than 1 entry?

You can enter as many times as you like. Simply increase the standing order on the reverse of this sheet by multiples of £5. (If you do not complete this section overleaf we will assume you only require one entry).

When and where will the draws be made?

The monthly draws will be made on the 3rd Saturday/Sunday of every month. They will be made at the club house during either a cricket or hockey match (depending on the time of year). The Snowball draw will be made at the cricket and hockey end of season dinners.
