

# Chalfont Park Sports Association

Thank you for taking the time to pick up and read Chalfont Park Sports Association's (CPSA) first promotional flyer. On both sides of this leaflet, you will find information on CPSA, who we are, who we incorporate and what we are trying to achieve in Chalfont St Peter and the surrounding areas.

CPSA is a not for profit company limited by guarantee, that manages the sports pavilion, grounds and cricket pitch at Chalfont Park. We have achieved a great deal from our small base in recent times and are committed to an ongoing development of sport and sports facilities in Chalfont St. Peter. Established in the mid 1800's as Chalfont St Peter Cricket Club, the club has seen many developments and is still going strong today, this despite a fire of our club house in 1999 which saw the members rally round to build the new club house ready for September 2001.

As you can see, we are not standing still and are looking positively towards the future. We have exciting plans to raise money through members, sponsorship, donations and utilising our assets more to develop better sports facilities for local people - in particular youngsters. Please take time to read the newsletter and if you can help in any way or would like to get involved, please contact us.

The new club house - opened in Sept 01

## Chalfont St Peter Cricket Club Open Day - Saturday April 17th

The season starts in earnest for Chalfont St Peter Cricket Club on April 17th. Last year was an excellent season with numbers of both senior and junior players steadily increasing, for example we consistently field two Saturday and two Sunday teams, with a new Saturday third eleven also playing regularly.

As part of our commitment to sport in the area, we have obtained access to a second cricket pitch down the road which will be playable in the 2005 season, ready for a couple more Junior and Senior teams.

### All New Cricketers Welcome - Adults and Juniors

We are welcoming new players to continue our growth, both adults and juniors - we especially welcome any female youngsters who wish to play. The Junior's practice sessions are held every Saturday and Sunday morning and games held during the week after school or at the weekend. We have junior teams from Under 11's to Under 15's.

**The open day is from 10 to 2 for Junior cricketers and 2 until 5pm for adult cricketers.** There will be a number of activities for those wishing to get involved including practice nets, a practice game and a bowling machine.

If you just wish to register your interest then simply turn up and give us your details. If you want further information or cannot make the day, please telephone Matt Stevenson on 01628 487516 or email [cricket@chalfontsports.org.uk](mailto:cricket@chalfontsports.org.uk).

### Want to relax and watch cricket all summer?

We welcome all residents from the Chalfont St Peter area to join other members of our club, sitting around the ground or on the club balcony to cheer on our team or simply relax on a Saturday afternoon at a quintessential English venue. We have a fully licensed bar for alcoholic and non alcoholic beverages.

# Need to Hire a Venue?

As part of our desire to fulfil our sporting ambitions, we are allowing limited access to our facilities on a first come first served basis. The venue is one of the most picturesque in the area and has superb facilities for

both indoor and outdoor functions. The upstairs rooms can cater for a maximum of 100 guests with a fully licenced bar and brand new kitchen facilities.

If you require more space for a wedding or other corporate event, it is possible to erect a marquee to cater for your numbers.

## Professional Catering & Organisation

CPSA now has dedicated venue management and catering contractors - Taylormade Catering. They serve the highest quality food from the on-site facilities. They ensure every detail is covered

for your event, making it run as smoothly and professionally as possible.

For a tour of the facilities please contact Sandra of Taylormade Catering on 01494 775212 or email [info@cateringbytaylormade.co.uk](mailto:info@cateringbytaylormade.co.uk).

## Helping us to help sport in the area - donations and sponsorship

Achieving our ongoing commitment to sport in the area is always a challenge, with costs continually rising and little support from grants. We always strive to help ourselves as much as possible but this always has its limits.

If you would like to help us to help all sections of the local community then please contact Caroline Chipperfield on [carolinechipperfield@hotmail.com](mailto:carolinechipperfield@hotmail.com) or on the CPSA answerphone 01753 884163. Every little helps us to help the community.

### Play hockey?

Amersham and Chalfont Hockey Club was formed from the merger of Amersham and Chalfont St Peter Hockey Clubs in September 2001.

We are the only hockey club in the Chiltern District area and are going from strength to strength with a thriving Junior section of around 100 & a senior section approaching 200 members. The club is looking to promote hockey and other sports in the area by linking with Chalfont Community College to lay an artificial pitch in the coming years. This will boost sport to young people and secure the future of Amersham and Chalfont Hockey Club. Email [hockey@chalfontsports.org.uk](mailto:hockey@chalfontsports.org.uk) or telephone 01494 870518 for more information.

### New - Softball

Brand new for 2004 is Chalfont Park softball. The team has entered the Windsor and Maidenhead softball mixed league. The home fixtures will be held at CPSA and are usually midweek throughout the summer.

If you would like to get involved, practices are held most Sunday mornings. For more information email [softball@chalfontsports.org.uk](mailto:softball@chalfontsports.org.uk)

### Need a base for your club?

If you are a club looking for a base or venue, then try us - we are looking to form new relationships to help us all become stronger in the community.
